

See a performance by award-winning Vamos Theatre of their compelling show, *A Brave Face*, and take advantage of the company's ever-popular workshops for schools and colleges.

#### What's the show about?

Just turned 18, Ryan joins the army to see the world. Training is complete and combat is a buzz. But in Afghanistan, on one particular hot and desperate tour of duty, Ryan sees things he can't talk about, to anyone. And then, when he returns home, the trouble really begins.

*A Brave Face* explores the effects of Post-Traumatic Stress, an often unrecognised injury of war, on a young man and his family. The show, suitable for 12 years plus, is an impactful and absorbing theatre visit, perfect for students of drama, music, design, and health & social care, stimulating debate and discussion.
